POLYPADS

Polypads™ are an industry approved premium quality material ideal for high frequency usage. They are press moulded from high molecular weight polyethylene grade 500. It offers you:

- Perfectly smooth and consistent cutting surface with good protection of cutting knives
- Non-absorbent to liquids and odours therefore do not harbour bacteria
- Heat stabilised to prevent warping under high temperature, completely dish washer safe
- Extremely durable and reliable premium quality product

**HIGH
FREQUENCY
USAGE**

We hold vast stocks of material for standard and bespoke supply.

POLYCUT

PolyCut food boards are manufactured from high density polyethylene

- PolyCut boards have a smooth surface finish
- The boards are highly durable and reliable

**MEDIUM
TO HIGH
USAGE**

Available in sizes 18" x 12" and 24" x 18", in both 12mm and 25mm thick

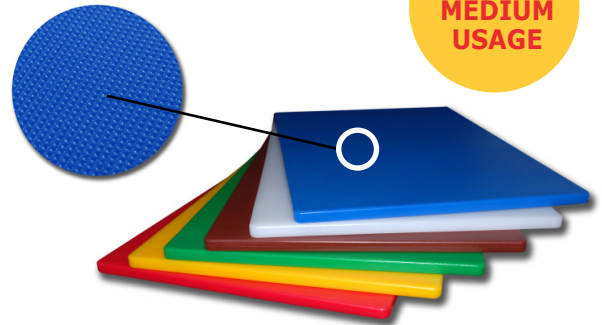

ECONOCUT

EconoCut™ food boards are injection moulded to produce a highly economical board.

- EconoCuts™ are manufactured with a textured surface finish for an enhanced non-slip surface
- Low cost allows for regular replacement

Available in 18" x 12" in both 12mm and 25mm thick

**LOW TO
MEDIUM
USAGE**

Terms & Conditions

One voucher for one order only.
The voucher must be redeemed by the expiry date, 28th February 2011.
The voucher can only be redeemed against the specific products and services from Partwell.
Promotions do not apply to any labour, shipping or tax charges.
The voucher will only be accepted when redeemed by the company addressed on the cover letter.
The serial number and company name will be validated when redeeming the voucher
The voucher will be deemed invalid if it has been tampered with in any way.
Partwell reserves the right to withdraw the offer at any time and without prior notice.
All other standard terms and conditions of sale also apply.

Our CNC engineering facility has the ability to produce intricate shapes from plastics. Whether you need cut outs for food processing or a simple gravy groove in a standard board, we can offer a solution to fit your needs.
